### THE CHARITY

Every day the phone rings at Angel Flight Central and someone in the Midwest, desperate and scared, shares their story. In all of these calls, Point A and Point B are seemingly insurmountable distances apart with no means for travel.

The quiet, yet significant, need for charitable aviation is enormous when you consider that any of us could become quickly overwhelmed with expenses and stress in the event of a family crisis that involves a need to travel. A general aviation pilot is often our passenger's last hope due to their geographic location and medical condition as much as their strained financial situation.

By leveraging our resources to arrange transportation through volunteer pilots as well as other aviation resources, we are coordinating an average of five successfully completed missions every day for children and adults in need of accessing life-saving distant medical treatment. Disaster response and compassion missions are also included in our scope of services.

Through AFC's linking relationships with collaborating organizations, approximately 24,000 charitable non-emergency missions take flight annually!

**Your financial support is what allows Angel Flight Central to continue its matching service between unique aviation resources and urgent community needs. Join us in "giving hope wings" by enjoying a great day of golf at Prairie Landing! All tournament proceeds will be matched by an anonymous donor in 2017!**

### THE VENUE

Completed in 1994, **Prairie Landing Golf Club** quickly became known for its unique landscape, meticulously maintained grounds and picturesque setting. Twenty-one years later, Prairie Landing continues to receive rave reviews and awards including:

- '4.5 Star' - Golf Digest
- 'Extraordinary' - Zagat Rating
- 'Best Area Public Course' - West Suburban Living Magazine Readers Poll

In 2014, Prairie Landing Golf Club completed over \$2 million in improvements including a golf course bunker refinement project and practice center renovation.

Conveniently located just South of the DuPage Airport on the corner of Kautz Road and Illinois Route 38/ Roosevelt Road, on the border of Geneva and West Chicago, Prairie Landing is easily accessible from Interstate 88 (6 miles), Illinois Route 64/North Avenue (2 miles) and Route 38/Roosevelt Road (0.25 mile).
