

January 2019

Dear Community Friend,

Angel Flight Central, a Kansas City based nonprofit, is delighted to invite you to celebrate 24-years of “Neighbors Helping Neighbors” through charitable aviation! On **Wednesday, March 27, 2019 at 6PM**, we will open the doors of the Muehlebach Suite at Kansas City’s Boulevard Brewery to passengers, volunteer pilots and faithful patrons and we’d love for you to join us.

Our Neighbors Helping Neighbors Celebration will be a very casual and fun event, featuring a delicious dinner, the ever-popular Boulevard Beer selections, wine, a silent auction and music to make the night a true celebration. ***A generous donor has agreed to match all net-contributions for the event, so your participation will have a double impact for the organization!***

Angel Flight Central serves people in need by arranging charitable flights for health care or other humanitarian purposes. Since 1995, our volunteer pilots have flown over 9 million charitable miles and have transported more than 26,000 passengers. Last year alone, Angel Flight Central coordinated 2,197 free flights from our Kansas City location and the need continues to grow.

I kindly ask that you demonstrate your support for our mission by participating as one of our affordable Celebration sponsors. Angel Flight Central prides itself on delivering over \$6 of service for every \$1 contributed. Whatever **donor-matched** sponsor level you choose, I can assure you that Angel Flight Central will leverage your contribution to make a difference by “giving hope wings” for the thousands of families we serve annually.

I would like to thank you in advance for any support that you can provide. We would love to have you as well as your family, friends and co-workers attend this incredible milestone celebration.

Thank you for “giving hope wings”!

Don Sumple
