Serving people in need by arranging charitable flights for access to health care and other humanitarian purposes.

MISSION

Angel Flight Central proudly collaborates coast-to-coast while arranging all flight-needs within the 10-State territory of:

- Kansas
- Missouri
- Iowa
- Nebraska
- Illinois
- Indiana
- Minnesota
- Wisconsin
- South Dakota
- North Dakota
The Coordination Process

An AFC flight is counted as “coordinated” when all of the following have occurred:

- The Flight Request Form is completed and submitted by the potential passenger
- The AFC Staff and/or Volunteer Coordinator completes the screening process
- The AFC Medical Release Form is signed and returned by the passenger’s physician
- The flight request is shared privately with the AFC Volunteer Pilots
- If a flight is traveling outside of the 10-State AFC region, additional communication and coordination occurs with the charitable aviation organization responsible for that geographic region

A flight can be in the air within 5-7 business days from the moment the initial flight request is submitted.

*Angel Flight Central completed the above process 2,663 times during FY2019!*
On October 3, 2018, Angel Flight Central was invited to San Diego California to be inducted into the International Air & Space Hall of Fame as a result of its impact on humanity through charitable aviation. The accomplishment rests on the shoulders of every donor, Board Member, Volunteer Pilot, staff member, Ground-Volunteer, and each passenger who put their trust in us to reach their destination.

Congratulations and well done!

Don Sumple, AFC’s Executive Director/CEO, and his wife, Robin, prepare to enter the Hall-of-Fame for the induction ceremony.

In the spirit of continuing to grow with the entrepreneurial spirit of our founders, Angel Flight Central has hundreds of active ground-volunteers called “Ambassadors.” As many grassroots organizations find, their strength is in the networking of friends, family, neighbors and acquaintances. AFC’s Ambassadors carry out the following essential activities within their own communities across AFC’s 10-State region.

- Pilot Recruitment and Activities
- Passenger and Community Awareness
- Local Public Relations
- Friend & Fund-Raising
