

Dear Neighbor:

The internationally recognized Angel Flight Central (AFC) cordially invites your participation in **Wine Flight 2020, the Virtual Edition**, Friday night, November 20th. **Wine Flight 2020** was set to be an incredible celebration of Angel Flight Central's 25th Anniversary of service to people in need, unfortunately COVID 19 had other plans.

Everyone at Angel Flight Central hopes you, your family and friends are safe and healthy during this world-wide pandemic. Even though we will not be able to gather together this year, we certainly hope you will set aside around an hour to join us for our virtual Wine Flight celebration beginning at 7:00PM as we celebrate this milestone year in a virtual fashion.

This pandemic only accentuates why Angel Flight Central is such a vital commodity within our communities. Thus far during the pandemic, Angel Flight Central has continued to transport passengers to their much-needed lifesaving treatment facilities thanks to our brave and generous pilots and our commercial resources provide by our partners at Southwest Airlines. AFC pilots have flown PPE to underserved rural hospitals and medical facilities along with blood plasma to aid with the COVID 19 recovery process. Mother's Milk was transported to alleviate shortages throughout the Midwest to ensure newborns would have the nutrition they sorely needed.

Wine Flight usually accounts for 3 to 4 months of our yearly funding. You can see, not having an in-person event is a huge loss. However, not only will we orchestrate our virtual event, we will be conducting an online 50/50 raffle, a small silent auction and a fund-a-need to help generate funds and keep the virtual event as close to our popular in-person gala as possible.

Thank you for your thoughtful consideration of being a part of the solution for those struggling with the hundreds of miles that separate fear from hope by becoming a sponsor of our virtual event. I'd love to answer your questions and hear from you! Please contact me at Don@AngelFlightCentral.org or 816-421-2300 X203.

PS: Good news, since there are no goods or services changing hands your sponsorship is completely tax-deductable.
