

Dear Neighbor:

The internationally recognized Angel Flight Central family cordially invites your participation at **Wine Flight 2021**, scheduled for the night of Friday, November 5th at Kansas City's lively Sheraton Hotel at Crown Center. **Wine Flight 2021** will also celebrate Angel Flight Central's 26th Anniversary of service to people in need.

Wine Flight is one of the nation's largest and most unique wine tasting experiences. Angel Flight Central has the privilege of being the recipient of hundreds of wines entered in **The Jefferson Cup Invitational**, which is a national wine competition organized by Master Sommelier and Master of Wine Doug Frost. This incredible competition has even attracted a 3-day series in the Wall Street Journal! Doug and his team will be part of our Wine Flight event giving insights to add to attendee's wine enjoyment.

Along with the seemingly endless selections of wine to taste, the evening will include a silent and live auction, a wonderful dinner and music to entertain you and your guests.

Angel Flight Central serves people in need by arranging charitable flights for healthcare or other humanitarian purposes utilizing a compassionate team of 350 volunteer pilots. Last year, even with the pandemic, Angel Flight Central coordinated nearly 2,000 flights for people in need, including months of flights connecting underserved rural hospitals and medical facilities with very needed PPE supplies. Your participation and support of Wine Flight 2021 provides the funding to screen, coordinate and schedule these life changing flights.

Thank you for your thoughtful consideration of being a part of the solution for those struggling with the hundreds of miles that separate fear from hope. I'd love to answer your questions and hear from you! Please contact me at Brendan@AngelFlightCentral.org or 816-421-2300 X202.

Together we soar!
