Statement
From " 
Brendan Sneegas
Executive Director

I am so proud of Angel Flight Central’s 27th Fiscal Year, which saw us through traditional highs and lows; yet proof that we continue to pull away from the strains of the COVID pandemic. Our low for the year was saying goodbye to our Executive Director, Don Sumple, who retired after 12-years of service to AFC. Don was a great visionary and incredible human being.

The highs were welcoming new faces, witnessing the continued work of the greatest donor bases in the Country, and shifting the mission of AFC back to delivering people to care instead of care to the people. Angel Flight Central’s donors carried us lovingly through another year of service, and the dedicated, talented, and angelic Volunteer Pilot family provided more than 2 million dollars in free flight services to those who rely on us for help. Truly unbelievable.

I hope you enjoy this year in review. You’ll see that Angel Flight Central is as strong as ever because of its people~ some for decades~ while others joined the AFC family this current year. Regardless, hope does soar in the skies above as a result of all of them! Enjoy and thank you!
About Angel Flight Central

Over 90% of the free flights that AFC provides are for medical travelers due to the great need of this population. However, AFC continues to provide a variety of compassionate and humanitarian flights as well. If a problem can be solved with two runways, we would like to hear about it and brainstorm how we can assist.

Areas of Service

Angel Flight Central proudly collaborates coast-to-coast while arranging flights for passengers residing in our 10 state Midwest region made up of:

- Kansas
- Missouri
- Iowa
- Nebraska
- Illinois
- Indiana
- Minnesota
- Wisconsin
- South Dakota
- North Dakota

In fiscal year 2022, we were able to provide 2,153 free flights to people in need. We have grown significantly since our start in 1995 flying just 1 flight. A majority of the passengers we assist are adult and senior medical travelers, helping them gain access to far away, often life saving care and treatment they wouldn't otherwise be able to access.

**Passenger Age Breakdown**
- Adults and Seniors: 71.3%
- Children (under 18): 29.7%

In fiscal year 2022, we had 333 active volunteer pilots and 231 active ground volunteers. We are so grateful to each person who volunteers their time, aircraft, and funds to support the AFC mission.
In-Kind Services

We cannot thank those enough who provide valuable contributions of time, services, and materials to help further our mission of providing free flights to those in need. We would not be able to do it without them.

In-Kind Transportation Resources
$1,757,066: AFC Volunteer Pilots
$250,000+: Southwest Airlines

In-Kind Services:
